

BREITLING LIMITED EDITION RNLI SUPEROCEAN

In respect of the tremendous work and dedication to services, Breitling have reproduced a Limited Edition watch bearing the RNLI flag available only to RNLI crew and staff.

The Superocean watch is a professional divers watch, water resistant to 1,500 metres. Originally designed for professional and military divers, it is equipped with a crew-locked crown and an automatic activating helium valve.

This watch will be offered to RNLI crew and staff at a special subsidised price by Breitling. In addition 5% of each purchase will go directly to the RNLI.
